## Grayling To Host Moose Winter Meet

The Moose State Convention at Lansing this past weekend, Grayling Lodge was elected to the 1936 Mid-Winter Conference to be held November 4-5-6. The local lodge was competing with Marshall and Grand Rapids in their bid, and elected by a ballot, with all lodges in the state. The lodge's bid was helped at a deal through the cooperation of the Chamber of Commerce, City of Grayling, and the Grayling Moose State Park. Their cooperation the bid was not have been accepted to place on the ballot. The lodge is expected to bring approximately four to five hundred people to our fair city from all over the state, both upper and lower Michigan, and should give the city a boost at a slack time of year. This is also about four hundred prospects for a return visit to Grayling.

## No File For COOR Board

Nominating petitions have been filed in the COOR Intermediate School District office for the following candidates for the COOR Intermediate School District Board election to be held on June 13, 1936. Even trustees are to be elected: James H. Whittaker, Roscommon County; John Byelich, Oscoda County; and Cameron Sutton, Ogemaw County for the six year terms. Virgil McIntire, Roscommon County; Eugene DeMatteo, Ogemaw County; and Serval Sponka, Crawford County for the four year terms. James V. Rutledge and Alice Sohn, Roscommon County; Beatrice Hill, Oscoda County; and Ernest Thompson, Ogemaw County, for the two year terms.

## Grayling 6th Grade Cleans East Branch

Last Thursday Mr. Paul Deni and twenty-five members of his 6th Grade class did some work on the East Branch of the AuSable River as a part of their conservation project. Through the courtesy of the Conservation Department, which provided a truck, and Mr. Jack Trudgen, who provided two canoes, the class began at the mouth of the East Branch and cleaned debris from the stream and its banks as far as the hospital grounds. By that time the truck was full and the class had to stop for the day. They took out an old mattress, tires, pails, barrels, tin cans, glass bottles, trash of all kinds. Mr. Deni and his class will finish out the project as far as the Fish Hatchery fence on another day.

On an earlier project some of the class constructed fish hides on the stream under Mr. Deni's supervision.

## State Lifts Road Weight Restrictions

As of noon Wednesday, the State Highway Department lifted winter highway weight restrictions on all State highways in the Lower Peninsula. At the same time Crawford County Road Commission lifted weight restrictions on the county roads.

Weight restrictions are still in force, however, all across the Upper Peninsula.

## ALLOCATION BOARD MEETS

The organizational meeting of the county tax allocation board was held at 3 p. m. Wednesday, April 23.

Serving on the board are William T. Miller, who was elected chairman; Clairbell Goss, Leo Lovely, Arthur Clough Sr., A. J. Sorenson, Joseph Stripe, acting as Basil Godbold and Eva Strong.

The next meeting was set on May 16 at 1 p. m. at the courthouse.

## Grayling To Have Country Store

An old fashioned Country Store is to be opened by the Charles Hicks of Grayling. The store will be located at the Elementary School on May 7, from 6:30 — 10:30. This is a new attraction of the Family Store.

## Grayling Golfers Lose Opening Match

The Grayling High School golf team opened its 1936 home season last Friday with the varsity dropping a 14 - 7 decision to a very good Petoskey St. Francis team while the J. V.'s were topping Roscommon 13½ - 4½. With seven two some being used, Petoskey had its five top players ranged between 80 and 89.

Dale Slusser and Fenn Welch each picked up three points for the Vikings while Paul King got one Slusser's 84 was low score for Grayling.

In the J. V. match Philip Stancil, Grant Thompson and Mike Roper each gained three points, while Rick Fallon added two and a half and Richard Lovell got the other two. Thompson's 91 was low score for the meet.

During Easter vacation all members of the team traveled to Frankfort where they lost 8½ - 6½ to Frankfort on the very tough Crystal Downs Country Club course. Any course they play on after that will be easier.

This week the team was to have gone to Gladwin Tuesday and hosted Gaylord on Friday.

Earl J. Hill

Mr. Earl J. Hill, Administrative Assistant of the Public Relations Department for Consumers Power Company with offices in Jackson, Michigan will be guest speaker for the Grayling Woman's Club's 50th anniversary dinner, on Monday, May 2nd, to be held at the Masonic Temple. Mr. Hill is no stranger to Grayling having spoken last fall at the annual Chamber of Commerce dinner. He is a very entertaining person and the club is fortunate in having him for their speaker. His topic will be "The Pursuit of Happiness". Tickets are \$2 and can be purchased from Woman's Club members.

## Grayling Man Named To Mio Deer Group

Two postgraduate medical education lectures will be provided by the Michigan State Medical Society in Grayling, April 28 for the Medical Society of North Central Counties.

Robert J. Bolt, M.D., professor of internal medicine, and Norman W. Thompson, M.D., assistant professor of surgery, both of University of Michigan Medical School, will speak.

The meeting at 6:30 at Chief Shoppengons Motor Hotel at Grayling, is one of 18 programs that comprise the Michigan State Medical Society's spring postgraduate series. All members of the local medical society are invited along with other physicians from nearby communities.

Doctor Bolt will discuss "The Internist's Approach to G.I. Disorders," and Doctor Thompson, will talk about "The Surgeon's Approach to G.I. Disorders."

Prior to the dinner, the local physicians will gather at the Mercy Hospital at 4:30 p. m. for a special clinical session with the two guest professors.

Doctor Bolt graduated in 1945 at the University of Michigan Medical School. He is actively engaged in research in gastroenterology; he was appointed American Cancer Society Fellow in Gastroenterology and also instructor in internal medicine at the University of Michigan Medical School.

Doctor Norman is assistant professor of surgery and chief of the surgery service at the Veterans Administration Hospital in Ann Arbor.

He graduated in 1937 at the University of Michigan Medical School and interned at the University Hospital. Doctor Norman is a Diplomate, American Board of Surgery and a member of the American College of Physicians.

His most recent papers, "Vagotomy and Finney Pyloroplasty for Peptic Ulcers Disease," "A Review of 500 Patients," and "Vagotomy and Pyloroplasty for Duodenal Ulcers."

## Spring Festival This Friday

Tomorrow evening (Friday), at 7:30 in the Grayling High School Gym, a host of old and new Broadway show tunes will be presented by the upper elementary grades. This includes fourth through the sixth grades.

Children have been practicing such songs as, "Hello Dolly," "Surround With The Fringe On Top," "April Showers," "Chim Chim Cheree," "Hey Look Me Over," "Alice Blue Gown," among many others.

This program is the annual spring festival, many will remember from years past. Last year the lower elementary grades put on the presentation.

The theme this year is "Music, Music, Music." April 29th is the date and the price for children is 35c and for adults 50c.

## ROBERT LEGNER DIES AFTER SHORT ILLNESS

Robert J. Legner of 1414D AuSable Trail, Grayling, died at Ford Hospital in Detroit Sunday, April 24, 1936 after a short illness. He was 71 years old.

The son of the late Karl H. and Pauline Legner, he was born September 30, 1864 in Bay City. Mr. Legner married the former Anna Kordecky of Bay City in St. John's Lutheran Church on April 30, 1917.

The couple lived in Grayling from 1920 to 1927, then returned to Bay City where Mr. Legner operated a natural ice business on Cass Avenue in the Middlegrounds for the Peoria-Legs until his retirement. Surviving are his widow, Anna, one sister, Mrs. Hattie Green, and two brothers, Karl R. and J. P. (Mike) all of Bay City, several nieces and nephews. A brother Edward preceded him in death two years ago.

Funeral services were to be held at two o'clock Wednesday, April 27 at Mt. Hope Lutheran Church of which he was a member. The Reverend Donald Beyer was to officiate and burial was in Elmwood Cemetery with Dr. J. F. Cook, Harry Hoel, Charles Long, Wesley Hayes, Arthur Mayer of Frederic and Theodore Hine of Bay City serving as pallbearers.

## Golden Wedding Plans Are Announced

The children of Mr. and Mrs. Otis Weaver extended an invitation to all friends and relatives to attend an "open house" at the Weaver home in Frederic on Sunday, May 1st from 1 p. m. on in celebration of their parents' Golden Wedding Anniversary.

They also announce special church services to be held at the First Baptist Church at Frederic at 6:30 p. m. Saturday evening.

## Grayling Wins First Pair of Track Meets

The Grayling Vikings thinned under Don Ferguson swept a four way track meet to open the season on Tuesday, April 19 and came back to win a dual meet on last Friday. In the opener Grayling defeated Gaylord, Mancelona and East Jordan.

Grayling garnered 60 points to Gaylord and East Jordan's 45 each and 46 for Mancelona. In the dual meet Friday, Grayling downed the Roscommon Bucks by a wide margin. However, Roscommon came into the competition without any seniors who were tied up in another activity.

Taking first places for Grayling in the opening meet were: Pete Funk in the pole vault with seconds going to Grayling's 880 yard relay team, Davis in the mile, Corlew in the high hurdles, Day in the 100 yard dash, Bailey in the 220, Nethers in the high jump, Hatfield in the shot put. Taking third places were: McEvers in the mile, Southwell in the 880, Corlew in the low hurdles, Grayling's mile relay team. Fourth spots were garnered by LaGrow in the mile, Gould in the high hurdles, Halstead in the 880, LaGrow in the 440, Bailey in the 100, Gould in the low hurdles, Reid in the 220, Funk in the shot put and Day in the broad jump.

On Friday, Grayling won both the 880 and mile relays with McEvers winning the mile, Corlew the high hurdles, Halstead the half mile, LaGrow the 440, Bailey the 100, and also the 220, Nethers the high jump, Funk the pole vault and England the shot put.

This Tuesday the Vikings were to travel to Charlevoix to tangle with the host Red Rayers as well as East Jordan and Boyne City.

## Alumni News

A second meeting of the Alumni Board was held in the Alumni Room on April 20. President Jim LaGrow appointed committee chairmen: reservations, Clara Sorenson; membership, Forrest Annis; Ed Funk; registration, Janice Goreney; Don Gotro; lounge and fund, Leo Rochette, Norman Sorenson; party tickets, Jim LaGrow, Tony Doremire.

A menu submitted by St. John Lutheran Women was accepted for the annual banquet. Our special treat this year will be Danish Apple Cake for dessert.

Did you know that we have 143 members on our memorial roll? That we have five GHS alumni members on our teaching staff? Clara Sales, Earl Gierke, Elmer Fenton, Jean Gotro, Fay Bovee. Our favorite office staff has three more, Betty Millikin, Janice Goreney and Sally Gould.

The Class of '41 will celebrate their 25th anniversary with us this year. Dick Lowe and Betty Millikin are in charge of plans. They are in need of addresses for Harold Jankowski, Betty Parsons, Ruth Stevenson. If you know these call Betty Millikin at the high school.

We salute the "Golden Class" of 1916, J. Hellen Bingham, Leora Elsworth and Laura Nielson Brownell. This was Roy Milnes' class and this will be the 6th year of presenting the Roy O. Milnes award to the "Best All Around Good Citizen of the Senior Class."

A couple more of our families are the Hansons — Matilda, 1889, Thorwald, 1892, Margrethe, 1892, Eswerson, 1899, Oscar, 1900, and the Swansons — Anna, 1926, Lillian, 1929, Elizabeth, 1931, Wilbert, 1933, Eva, 1936, Dorothy, 1939.

A reminder — Have all your secretaries completed your lists? Clara Sorenson

## Crawford County Tourist Information

AuSable Main Stream below normal level for this time of year. Snow base went early this year, and unless heavy rains occur, stream levels will be ideal for trout fishing. Water temperatures warming during day to 46 degrees. Hatches of Early Stone and Iron Duns occurring daily. Observing fish rising to feed from early morning to late afternoon.

South Branch, North Branch, and Big Creek levels down from average seasonal level. Some hatches appearing daily and streams warming.

Migratory song birds appearing daily, and with foliage down bird watching is excellent.

Another week of warm weather should bring arbutus and mushrooms aplenty.

Early spring canoeing is popular and observation of wildlife and wild fowl is a pleasant experience.

To Hold Open House

Mr. and Mrs. Norval Stephan will hold open house at Club Thunderbird Sunday afternoon, May 1st, from two o'clock, for friends of John Stephan, so they can meet with us while

### It's That Time Again

Come April 30, a special kind of magic will pleasantly grip thousands of Michigan sportsmen. On this day, the opener of another trout season, the pulse of anglers will be quickened by the anticipation of that first catch. By the same token, the spell of the new season will deaden the minds of these fishermen to doctor bills, house mortgages, and other day-to-day worries. It's a time for "unlaxing" and enjoying a fresh new pace of action; a time for getting a mental lift. This season as always, there's no limit on the amount of pure sport and simple pleasure that the trout fisherman can "creel" from his favorite stream. —Mich. Dept. of Conservation

### Trout Season Opens Saturday

With good weather conditions for the coming weekend, prospects for the opening of the 1936 trout season on Saturday, April 30th seem the best in the past decade.

With a light snow pack melting considerably earlier than usual and with not too many heavy spring rains, streams are almost at a "normal" stage. A warming trend in the weather to bring stream temperatures up would add to the bright outlook of the opening.

It is expected that upwards of 150,000 trout seekers will hit the state's trout waters for the opening day Saturday. The main stream of the AuSable in Crawford County has been selected by several downstate outdoors writers as one of the opening weekend's prime targets.

Actually, Michigan's spring trout fishing season is already underway — on a limited scale. Rain bows and browns became legal catches earlier in April in some 40 upper peninsula streams designated by the Department and in the Great Lakes, Lake St. Clair, the St. Clair, Detroit and St. Mary's rivers (not including the Soo Rapids.) Action reportedly has been fair in these waters.

### Three Fires Hit In County Monday

Three fires broke out Monday in the county, one from smoldering brush piles on the power line extension near Four Mile Road and the Stephan Bridge road, which burned over about seven - tenths of an acre it was estimated by Fire Officer Forrest Annis, and quickly brought under control.

Two other grass fires developed, one at 1:20 p. m. Monday spreading from a trash burner near the Den Sherwin home on Island Park Drive and another at 3:45 p. m. behind the John Bruun and Jack Ales homes on AuSable Trail from children playing with matches with no damage it was reported by the City Fire Department, which handled these two fires.

### City Police Arrest Two Ticket Pair

Grayling City Police issued summonses to Ray John Dury, Jr., 20 of Star Route, Grayling, on April 23rd for speeding, and to Robert Devere Johnson of Cadillac, 43, for failing to stop for a red light. They have or will appear before Justice Olin Williamson.

### Kiwanis Club Notes

The weekly meeting of the Kiwanis Club of Grayling was held Monday evening at the Chief Shoppengons Motor Hotel. Jay Doty was in charge of the program but in his absence, President Bruce Carlson introduced Rev. John Wesley Smith who spoke on the subject, "Bridge of Understanding."

Robert Bovee was named as the club's delegate to the International Convention of Kiwanis to be held in Portland, Maine. Four members of the club attended a meeting of the Traverse City club on Monday for an interclub meeting. It was also the spring divisional meeting. Five members of the club will attend a meeting of the Sault Ste. Marie, Ontario, Canada on Thursday of this week for an international interclub meeting.

### THE CAMPAIGN IS ON!

WHAT - WHERE - WHEN?

### Largest Race Ever In Grayling May 20-21-22

The Grayling Regional Chamber of Commerce Race Committee met Saturday, April 23, with members of the Southeastern Chapter of the S. C. C. A. to discuss plans for the forthcoming National Sports Car Race to be held in Grayling May 20, 21 and 22.

Mr. Will Henderson of Flint and Chairman for the Sports Car Association, stated that the Association plans for the largest race ever to be held in Grayling. More than 1500 letters of invitation have been sent to their members. In this mailing was included the Chamber brochure and Chamber list of accommodations and restaurants available in our area.

The Chamber believes that this weekend in May will provide the merchants and businessmen in our area with exceptional crowds and the economic impact of this S. C. C. A. group will be a spring board for the finest tourist season our community has experienced.

### Couples Golf League Now Being Formed

For All League and Auxiliary Golfers

A new golf league, which has been named "Double Trouble" is being organized for couple competition.

If you and your wife would like to play as partners in this new league please send a postcard to the secretary, Mrs. Mary Pettengill, Grayling, Michigan, indicating your intentions to participate.

A lot of fun for everyone is planned for the doubles events this summer, along with social events to be highlighted by a banquet in the fall.

Tentative plans have been made for matches to be played every other Sunday during the summer months. A handicap system will be used.

If you and your wife do not care to play every match, sign up as a substitute couple and you will be asked to fill in when a regular couple is unable to play.

To offset expenses of the many prizes planned, banquet cost, etc., a nominal charge of twenty dollars per couple is being charged.

Couples wishing to take part must sign up before May 15th. No new entries will be accepted after that date, so don't be late and be sorry. Mail your postcard today.

### CLEAN-UP, PAINT-UP, FIX-UP

Grayling is really getting a nice clean up for spring. Drive around the city streets and you will feel proud of the lovely looking yards, the painting that is being done, old sheds that are being torn down, fences that are being repaired or replaced and painted, and various other activities. It is not hard to tell that the residents of Grayling have a lot more community pride than was exhibited a few years ago. This is something you can all be proud of and it in turn makes your property more valuable to you and to the city as a whole.

People love to visit a neat, clean community. They like to buy and move to a neat progressive community and we in Grayling want them to come here. Again, may we urge you to call the Housing Commission office 348-9314 if you plan to tear down a shed etc. or place a major remodeling so we can take a picture for our National contest this fall. Will all the local merchants also please display the Clean Up signs and please save the posters that were given you to display as we will use them in our scrap book in the contest? Don't throw the posters away. We will pick them up the middle of May to save for our book. These boys have played at Daniel's Den in Saginaw and in the Bay City and St. Charles area.

So, if you're ever around that area, don't be surprised if you see five boys with Beetle haircuts. They're the Paupers.

### Little League Tryouts Sunday, May 1st, 2 p. m.

Little League tryouts will be held Sunday, May 1st, 2 to 4 p. m. at the Little League Field located just past the Fish Hatchery.

Tryouts are for boys 9 years through 12 years of age that are not already on a major league team.

Players must attend these tryouts to be eligible for major league teams.

All major league managers and coaches are to be of these tryouts.

### Grayling To Have Country Store

An old fashioned Country Store is to be opened by the Charles Hicks of Grayling. The store will be located at the Elementary School on May 7, from 6:30 — 10:30. This is a new attraction of the Family Store.

### Grayling Medical Lecture Tonight

Two postgraduate medical education lectures will be provided by the Michigan State Medical Society in Grayling, April 28 for the Medical Society of North Central Counties.

Robert J. Bolt, M.D., professor of internal medicine, and Norman W. Thompson, M.D., assistant professor of surgery, both of University of Michigan Medical School, will speak.

A new program will go beyond what is now being done. It will involve the screening of three and four year old youngsters born in 1932, in an attempt to find eye disorders so that they may be treated at an early age. As a result, we feel that more youngsters will enter school better equipped to handle their learning tasks as far as vision is concerned, and they will not miss out on many experiences that are an important part of growing up.

Another major aim of this program is to prevent one-eyed blindness. In the state of Michigan it has been estimated that over

## MEET OUR NEW TEACHERS

Mrs. Sandra Taylor

Mrs. Sandra Taylor, petite 5-foot Physical Education teacher at Grayling High School, was born in Jackson, Michigan. She attended Bennett Elementary School, West Intermediate Junior High and Jackson High Schools. Upon graduation she enrolled at Central Michigan University, taking a B. S. degree in Education four years later. Her major was physical education and her minors were in health, music and English. She earned her permanent teaching certificate in 1965. She is married to Vocal Music teacher Howard Taylor, and they have two children, Timothy Howard and Alicia Marie, and two registered German Shepherd dogs.

Mrs. Taylor says her hobbies are canoeing, rollerskating, swimming and sewing. Her ambition is to be a good teacher and to some day see the Swiss Alps and Japan. Before coming to Grayling, Mrs. Taylor taught English one and a half years at Buckley, and English and Physical Education one and a half years at Mesick.

## FRIENDS

In a triangle with man at the peak and in subsequent layers predatory fish, panfish and minnows, basic animals, plants, with nutrients at the bottom of it all, B. L. Jacobs, Fish Biologist from Mio spoke to the Friends of the Library at their April meeting, pointing out the relationship of the six parts of the fishing triangle. He stated that the conservation department has virtually discontinued at this time the stocking and planting of catchable fish, that streams capable of actual reproduction are not stocked. Bear and Glory Lakes were named as good areas to drop your lines on opening day, and he predicted a good fishing season. His personal concern is with the gradual degradation of the aesthetics of the AuSable and Manistee Rivers and further stated "We do not have the moral right to destroy what we cannot create."

Coffee was served by Mrs. Harry Souders.

According to our librarians new readers are being added almost every day. A special thank you is extended to the Bear Archery Company for providing the facilities to print a letter that is given to all new readers explaining the facilities available at the Library, a brief history of the present building and the Friends organization.

The following names have been added to the memorial plaque in the Library: Roy Milnes, Herman Bidvia, Lucille Cliff, Charles Moore, Rose Douglas Catlin, Augusta Emily Ziebell.

The next meeting of the Friends will be on May 17, when Michigan-I-A, a film about the "Robust Minds of the 19th Century" will be screened. Plan to join us.

## Services April 20th For Ambrose Klein

Ambrose M. Klein, 60 of 201 Second Street, Kalkaska, passed away April 17, 1966 at Munson Hospital, Traverse City, where he had been a patient for several days.

Mr. Klein was born July 11, 1905 at Lamont, Illinois to Mr. and Mrs. Peter A. Klein, both of whom preceded him in death. He was married to Burdina Nichols on August 22, 1931 at Grayling. Mrs. Klein survives.

Mr. and Mrs. Klein moved to Kalkaska 10 years ago from Fletcher. He was employed by the Kalkaska County Road Commission and was a former member of the Kalkaska School Board.

Surviving with his wife are two sons, Howard of Lansing and Mike at home; one daughter, Mrs. Elaine Krepps of Shreveport, La.; five sisters, Mrs. Ida Anthony of Fletcher, Mrs. Elizabeth Anderson of Moorestown; Mrs. Elsie Forker and Mrs. Vera Mack of Illinois; and Mrs. Barbara Anthony of California; one brother, Bob Klein of Fletcher; and four grandchildren. Funeral services were held April 20, 1966 at 2 p. m. at the Schwartz Funeral Home with Mike Steere officiating. Burial was made in the Evergreen Cemetery in Kalkaska.

## MAKE PLANS FOR FOREST MANAGEMENT DAY

On Saturday, May 7th at 9:30 a. m., 2 miles north of Fairview on M-33, forest land owners will have an opportunity to see and learn about some forest management problems.

## School Notes

Monday: The P.T.A. meeting was held in the gym at 8 p. m. The Junior High Band played. The fifth and sixth grades made a conservation field trip with all the other fifth and sixth graders in Oscoda and Crawford counties. The Golf Auxiliary met in the Elementary School teachers lounge at 7:30.

Tuesday: The Junior High presented an Operetta at the grade school in the evening. Track meet at Charlevoix. The golf team traveled to Gladwin for a meet with Gladwin and Midland Bullock Creek.

Wednesday: Seventh grade party. Baseball game at Roscommon at 4:15 p. m.

Thursday: The Cub Scouts will use the gym for model car race. There will be a track meet here with Petoskey.

Friday: May Festival. The golf team will meet Gaylord in a meet at Grayling.

Saturday: The Band will travel to the Trout Festival at Kalkaska.

The program is a joint effort of the Oscoda-Crawford Cooperative Extension Service, Oscoda County Soil Conservation District, Oscoda Agricultural Stabilization and Conservation Service and the Michigan Department of Conservation, Forestry Section.

Demonstrations will include tree and shrub planting, woodlot thinning, commercial logging and a developed pond site.

Local resource people will be present to answer your forest management problems.

# Convert your home or business to economical Natural Gas heat today and pay nothing until October 1, 1966.

Convert now to Gas heat and Michigan Consolidated Gas Company will buy your unused oil or coal—even remove your oil tank—all at no cost to you. What's more, whether you convert your present furnace, or even install a new Gas furnace, we'll pay the bill. And all you pay us, between now and next October, is for the Gas you'll use to make this your most comfortable winter ever. Here's how this special limited-time offer works:

1. If you're now heating with oil, we'll buy what's left in your storage tank—at the price you paid for it. What's more, we'll remove your tank from your home or business and even haul it away if you want. All at no cost to you.

2. If you're now heating with coal, we'll take what coal you have on hand, off your hands. And pay you whatever it cost you originally.

3. Whether you convert your present furnace, or even install a new Gas furnace, we'll pay for it and its installation by a Gas Company approved heating contractor, and it won't cost you a penny until next October. You can pay for the unit and its installation on October 1, 1966 with no carrying charge whatsoever.

Or if you prefer, you can make equal monthly payments, including carrying charges on your Gas bill, over a period of up to three years after October 1, 1966. Either way, there are no carrying charges between now and next October, and you need make no payments between now and next October. If you live in the areas we serve in the counties listed below, you're entitled to take advantage of this special limited-time offer. So act now. Call your Michigan Consolidated Gas Company office today for the name of a Gas Company approved heating contractor and all details. Your local Michigan Consolidated office number is 348-6581 in Grayling.

## Wins AuSable Fight . . .

The battle to fight pollution and the dumping of debris in the AuSable River has another champion. He shines to remain anonymous, but, we can tell you that is a summer resident of Crawford County and is here at his place throughout the year when it is possible.

In a communication with the Avalanche, he said in part: "Anonymously I want to start something that is only important and good for all concerned but is not increasingly necessary to retain some of our rural beauty. The highway anti-litter campaign is doing good results."

For the opening gun in this anti-litter battle, you look on Page 9 of this issue. But this is not all any means. This person plans on placing anti-litter signs along the winding AuSable with a large one on first bend below Grayling. He hopes that these signs will be erected by trout opening time this coming Saturday.

Also contemplated but not yet decided upon is the placing of other anti-litter signs at the various canoe camps providing the owners consent, plus the printing and passing out of canoeists reprints of the advertisement in this week's issue of the Avalanche.

Here is a man, not a full time resident of our area, an owner of river property, who is willing to go to his way to help in this fight. We say, can those of us who live here fulltime or those who live along the river's banks do any less. Let's keep up the good fight. — R. W. S.

## Chemical Progress Week . . .

The days and weeks roll on—and just about each of them, it seems, provides the setting for some observance designed to attract the interest and curiosity of the broad public. One of the most noteworthy of these will be Chemical Progress Week, April 25 through 30.

It is literally true that chemistry, in its almost infinite aspects, touches the lives of everyone. Chemistry is responsible for the finding of myriad drugs and remedies which defeat illness and bring back health. It is the source of fertilizers and pesticides and other products which do much to make possible the amazing productivity of our farms. It takes wood-by-products which once were a total waste and transforms them into thousands of wanted and useful products. Out of its test tubes come handsome and durable fabrics. It is the source of sports and outdoor gear and equipment far superior to anything known in the past. Everywhere—at home, at work, at play, or just driving the family car along the highways—the hands of the chemists enter, though they are not seen.

During Chemical Progress Week, we will all have a chance to learn a little more of the miracles for which chemistry is responsible. It is an opportunity none should miss.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCELANCHE OF 23 YEARS AGO

— May 6, 1943

Grayling Laundry claims to "wash everything but the baby." Wish they would wash some of the filthy currency floating around here these days.

Bidding for articles that went with the sale of war bonds proved a lot of fun besides quite profitable to the bidder. The party was held Thursday night at Shoppensons Inn. Bond sale yields over \$5,000. T. Hanson was the auctioneer and kept up a merry chatter about every article offered until his voice became husky and needed a rest. The crowd enjoyed dancing in the dining room.

The Kiwanis Club sponsored a "Father and Son" get-together at the school house Monday evening. At that time trophies for the year's athletic activities were awarded: Football, Capt. R. Clark, R. Thompson, R. LaChapelle, A. Gierke, A. Sidman, Harold Hatfield, G. Burns, S. Thompson, J. Kolka, D. Case, D. Sorenson, G. Babcock, G. Wheaton, R. Gildner, R. Smock and Howard Hatfield, Mgr. Eugene Case. Basketball—Capt. Carl Nielson, R. Clark, A. Hanson, A. Gierke, S. Thompson, G. Wheaton, J. Kolka, Mgr. Bruce Nielson. All sports — E. Owens, J. Barber, T. Bennett, C. Duncan and A. Annis. Football trophy for Northern Michigan Class C conference. Basketball trophy of Area Championship. A very thrilling motion picture of the 1941 Michigan-Columbia football game was shown, in slow motion and clearly showed every play that was made during the game.

Corporal Leslie R. Hunter was graduated from the Army Air Forces technical training command school at Packard-Motor-Car Co., Detroit, Mich. where he has successfully completed an intensive course of instruction on airplane engines. He was promoted to the grade of Corporal. Having received his training in unit specialized course, Corporal Hunter will be transferred to an Army air force unit where his newly acquired skill will be used to keep the nation's fighting aircraft at top efficiency.

A letter from Lou Kramer says that he has been engaged as representative and inspection officer for the office of Civilian Defense in the civilian defensive division of the upper part of the lower peninsula. He will act as liaison officer between public officials and local defense councils. Mr. Kramer is well known in Grayling and has had an active part in photographing our local events, also has represented Grayling in public relations with outside interests. Besides being a high type news photographer and newspaperman, he has had two years of law and much experience in social welfare and other sociological lines.

The Ray Duby family of Grayling spent last week with Mrs. Duby's parents, the Mike McCormicks at Lovells.

The William Spauldings of Midland were at Lovells for the weekend with their house guests, Mr. and Mrs. Bill Winston, Colburn Spaulding and Helen Smith.

Word has been received from Art Felschauser Jr., who was recently sent to Fort Custer, that he has been transferred to a new camp in North Carolina.

Visitors at the Charles Corwin home over the weekend were Mr. and Mrs. Ernest Corwin and son Keith Raymond and Everett Corwin and family of Mt. Morris, and Mr. and Mrs. Arthur Corwin and two children of Saginaw.

At 8:30 o'clock Thursday evening, the Rev. H. W. Kuhlman read the vows at Michelson Memorial Church that united in marriage Evelyn Lucille Chase and Pvt. Irving Richard Brown. Evelyn is the daughter of Mr. and Mrs. William R. Chase of Waterford and has made her home in Grayling for the past year. Her bridegroom is the son of Mr. and Mrs. C. R. Brown of Grayling. Joyce Meyers was the bride's maid of honor. Betty Brown of Detroit, sister of the bridegroom, was bridesmaid. Pvt. Donald Brown, stationed at Fort George G. Meade, Maryland, served his brother as best man and William LaChapelle completed the bridal party. The men of the wedding party were in full uniform. Sunday Mr. and Mrs. Brown left for Detroit where the former returned to his post in Camp Hood, Texas, while the bride will remain with her parents for a time.

Melting snow more than made up for lack of rain in the month ending April 15, and groundwater levels in north central Michigan now stand at a record high spring stage. The foot-and-a-half rise in the table following the melting of snow in the last four weeks set the present level more than two feet above the record April low of 1940, 0.95 feet higher than the nine-year April average, 0.77 feet higher than the nine-year average spring peak, and 0.08 feet above the previous high April stage of a year ago. All lakes in this region are high and those without outlets may reach their highest levels in many years, the survey states. Bear Lake in Kalkaska County and Osage Lake in Osage County are now eight inches higher than in May, 1942, both reaching seven-year record high levels. Most lakes of this type reach their annual peak in June.

Mr. and Mrs. Clinton Bancroft of Mt. Clemens are here for a visit with the latter's mother, Mrs. Roy Warner.

Little Jean Marie, daughter of Mr. and Mrs. Roy Smith, who recently suffered a broken leg, is still wearing a cast but getting along all right.

Mrs. Mary Lett, who has been visiting at the David Knuth home since Easter returned to her home in Lakeview yesterday. She was accompanied by Mrs. David Knuth—and her granddaughter Ione Lett as far as Kalkaska.

Frank Wetman and Hal Burris of Detroit are at Shoppensons Inn while enjoying fishing.

Mrs. William Chase of Waterford visited her sister Mrs. R. J. Sheehy while here to attend the wedding of her daughter, Miss Evelyn Chase.

Pvt. Harold Hatfield Jr. has been transferred from Camp Hood, Texas, to Greenville, Pa. He has been training for a gunner on a tank destroyer.

Corp. Lyman LaVack from Camp Campbell, Tenn., enjoyed a two-day furlough with his parents, Mr. and Mrs. Frank LaVack.

Extensive oil drilling tests are now going on in the vicinity of Grayling. Crews are busy and it is understood they will spend at least a year here with the test wells. Oil in quantities should make a few people quite wealthy.

Carl E. Johnson of Detroit spent the weekend at his cabin on the AuSable.

Mrs. Donald Akers and children left Saturday to spend a week visiting her parents at Harrisville.

Mr. Lawrence Sullivan of the Michigan State Troops has been promoted to Private First Class.

Measles are in the air. The children in several South Branch homes have them, including the Burton Williams, Henry Scotts and little Nancy Peterson.

at a lively session. The annual election of a board of directors and officers of the Grayling Board of Trade was held Saturday night at the Grayling Social Club rooms. C. M. Moritt, Supt. of the duPont plant was elected president; C. W. Olson, head bookkeeper of the Salling Hanson company, vice pres.; and Holger F. Peterson, sec. and treas. The proposition to pave the trunk line roadway through the village came up for consideration. O. P. Schumann, Fred Welsh and A. J. Joseph were appointed a committee to investigate.

Knights of Pythias have a merry night. Brothers from West Branch and Gaylord were guests of honor of Portage Lodge of this city. Chancellor Commander Emil Giegling and other officers had everything planned for entertaining the visitors.

Miss Floss Miller of Gladwin is spending the week with her sister, Mrs. C. A. Canfield.

C. C. Pink, T. P. Peterson and Hugo Schreiber, Jr. of South Branch township, are in Bay City this week, having been drawn to serve on the grand jury.

Marshall A. Atkinson, proprietor of the South Side grocery, left on Tuesday on a business trip to Toledo, Ohio.

Mr. and Mrs. H. W. Wolff of

Chicago arrived in the city Monday, and are guests of Mr. and Mrs. Esbern Hanson for a few days.

Mrs. Fred Belmore and little daughter of Gibbstown, New Jersey, are visiting her parents, Mr. and Mrs. John Love of Beaver Creek Township.

It was necessary Saturday morning May 1st to annex an extra coach in the Lewiston train to accommodate the many fishermen bound for the North Branch River, near Lovells.

Miss Arveley Tetu commenced her duties as clerk in the Salling Hanson Company store last Monday, taking the place of Miss Anna Boeson.

Frederick, son of Mr. and Mrs. A. E. Mason, is seriously ill at his home with typhoid fever.

## \$65,000 Per Yr. Here For Highways

NEW YORK—How deeply is the nation's 41,000-mile road building program dipping into the pocketbooks of car owners in Crawford County?

How much are they forking up per year through the government's special taxes on gasoline and related items?

The status of the interstate system and the part the individual car owner is playing in it are particularly pertinent right now because the Administration is seeking an increase in highway-use taxes.

It is asking for \$1.6 billion more, over a period of eight years, to meet the growing cost of the program. Most of the increase would be borne by trucks and buses.

At the present time, the government is collecting some \$65,000 a year from automobile owners in Crawford County for the Highway Trust Fund, which takes care of 80 per cent of the road costs. The other 10 per cent comes from the states.

For the average local driver, covering 10,000 miles annually and getting 14 miles to the gallon, the cost is close to \$30 a year. This is based on figures from the Bureau of Public Roads. It is exclusive of auto taxes collected by the state.

He has been paying at that rate since October, 1959, when the tax on gasoline was raised from 3 cents a gallon to 4 cents.

The indications are that this tax and associated ones will be on the books for a long time to come. They had been scheduled to expire in October, 1972, when the road system was to have been completed.

There is no longer any chance of meeting that deadline. The current target date is March, 1973, but there is little expectation that it will stand up.

The cost of the road building

program has also been rising rapidly. It has gone far beyond the original estimate of \$27.6 billion, set in 1958. It is now up to \$46.8 billion and growing. A further jump of \$3 billion is expected.

In the eight years remaining to 1973, should the program be finished by that time, car owners in Crawford County will be turning an additional \$18,000 over to the Highway Trust Fund.

This is based on the number of cars presently registered locally and the assumption that the tax on gasoline remains as is.

## See Higher Wages For State Agency Chiefs

Increased salary rates for state agency heads probably gained a legislative vote recently when Gus Harrison resigned as director to take a lower, civil service post within the corrections department.

The legislature has been asked more than once by Gov. George Romney to raise the pay levels of top state administrators. Each request has been turned down.

Romney contends it is inconsistent with good business practice to have a situation where the head of a department is outranked in salary by one or more of the employees under him.

In the corrections instance, Harrison as director was paid \$20,000 a year. He now will take a civil service classified position as deputy director for field services which will pay him more than \$20,000 including the fringe benefits classification.

Harrison's new position is not only one in the department which pays at this level. Also to be

considered is the fact that civil service rates will be boosted again in July while the director's salary is fixed from year to year by legislative dictate.

As director Harrison and other department heads were subject to "the pleasure of the governor" or a board or commission empowered to hire and fire unclassified administrators.

It was pointed out in the pleas for administrative pay hikes that the corrections case is not an isolated one. The same thing is true in several other departments, are needed below the No. 1 spot.

Legislators have tended to take a rather selfish attitude on the matter.

Their primary concern seems to be with their own financial rank: that if they who wrote the laws administered by department heads are not worth more than the present pay, then the department chiefs must certainly be well enough paid now.

Loss of Harrison, and perhaps others who have left these posi-

tions without specially citing this reason, might bring legislators to the realization that competent professional administrators demand and probably deserve higher salaries than the people they supervise.

**WHAT IS FAIR?**

Interesting results are likely to be seen in 1966 on another aspect of the question of pay for public servants.

This would be the individual responses, as well as the collective attitude of legislators regarding their own worth.

A study is in process by a special 12 member commission appointed on a 50-50 basis by the governor and the State Senate. It has been asked to determine what Michigan legislators should be paid.

Legislators are prohibited from raising their own salary during a term. Since Senate terms become four years long in 1967, any pay change must be passed next year or wait until 1971 to be effective.

Likely the survey being taken by the special commission will provide only anonymous results but it would probably be very interesting to see how specific individuals consider themselves in monetary value.

No doubt there will be legislators who spend a minimum of time and effort on official business, who think they should be paid twice the present \$12,500. On the other side there would be a number of very conscientious men who spend long hours on the job, consider themselves public servants and are happy with the going rate. There are still others who work hard and feel they deserve more money.

The numerical strength of these extremes and the variations between will give the commission much of the information on which it bases its recommendations to the 1966 legislature.

### R. L. D. S. Activities

The Department of Women met at the home of Mrs. Leta Babbitt, April 21st for their social fellowship and study. Different countries have been honored during the winter months. Spain was selected for this occasion.

Mrs. Joseph Stripe, Spanish teacher in the Grayling School, typed the menu to set a six course dinner. They were: Sopa de pollo con fideos, Huevos revueltos, Pescado sardinas, Arroz con pollo, Judias verdes, Postre de naranja con Salsa de chocolate, Pan frances, Te . . . Cafe . . . Leche.

A spray of Apple blossoms was attached to each menu card for a place favor. Mrs. Flora Skingley, Mrs. Lillian Newberry and Mrs. Matilda Hunter were the food committee. Mrs. Betty Isenbauer was co-hostess. Twenty members and friends enjoyed the feast and listened to Spanish recordings.

Following the dinner devotions were directed by Mrs. Newberry, Dept. Leader Mrs. Patricia Fowler gave the lesson on "All Children are Mine". During the business hour, Mrs. Evelyn Gardiner introduced the Band Calendar project to which the Department gave, so as to have their meeting dates printed on same. The last meeting for the summer will be the Annual Picnic at Mrs. Flora Skingley's on the Avalon, May 19, at noon. England will be the honored country.

Mrs. Dan Babbitt

### Women of the Moose

There was no enrollment on April 4th as there were no new members to go in.

On April 18th we had a round table discussion and planned to help on the Legion of the Moose breakfast. Also a nominating committee was appointed.

On April 24th three members, Lillian King, Rose Wales and Frances Neal went to the State Convention. These three took their oath in the Academy of Friendship. You have to get this degree before you can get into the College of Regent.

Our next meeting is on May 2nd. Lillian King, reporter

## BITS O' TALK

Dr. Paul Junilla returned home Tuesday last week from a trip which took him first to Marquette, then to Gwinn, and on Monday to a dental association meeting in Milwaukee, Wis.

Mr. and Mrs. Aaron Schick and Lawrence Hohl of Rose City also attended the services for Mrs. Emma Ingram on Sunday, April 17th.

Mrs. Martin Ritter plans to return home from Florida around the middle of May. She is staying with a friend, not her daughter as reported last week.

The Marvel Zimmerman and Terry Wyers families have recently moved into new homes on Orbit Road in the Johnson subdivision.

Gene Bristol arrived home Tuesday, the 19th for a three-week visit with his parents, Mr. and Mrs. Clayton Bristol. He left Korea the week before, having completed his required military service. Gene expects to return to his old job with the forestry service in Idaho in ten days or so.

Miss Peggy Fenton flew back to Eulless, Texas Monday after visiting her mother Mrs. Glen Fenton the past week. Peggy flew in to Manistee where she was met by her mother and they stayed overnight with Peggy's sister and family the Tuesday of last week.

Those attending the Sun Oil Company banquet and meeting Thursday night at East Jordan were Mr. and Mrs. Joe Renaud from the Northend Sunoco station and Mr. and Mrs. F. Reichelderfer and Mr. and Mrs. S. Reichelderfer from the Big Wheel service.

Mr. and Mrs. Einer Rasmussen and Earl Gierke, also Mrs. Don Orr and daughter Betty of Traverse City and Mr. and Mrs. Nels Kren, John and Shana of Saginaw, attended the graduation exercises at Western Michigan University Saturday the 16th at which Bob Rasmussen received his Bachelor of Science degree.

### NEPHEW-IN-LAW NEWLY APPOINTED ASTRONAUT

Mrs. Matt Edson has received word that her niece's husband, Marine Captain Jack R. Lousma of Cherry Point, North Carolina, is one of the nineteen newly selected astronauts. Captain Lousma received a phone call from Allan Shepard from Houston, Texas, notifying him of his appointment. Lousma, a jet pilot with a photo reconnaissance squadron at Cherry Point, could conceivably be the first man on the moon. He will be training for a three man Apollo flight to the moon with target landing date sometime in 1968.

The captain is a 1959 graduate of the University of Michigan. He and his wife Gracia have one son Tim. The Lousmas have visited in Grayling.

### Moose Lodge Activities

The lodge has some of the busiest months ahead—it has had in a long time, from now until November. We won the bid for the next mid-winter conference over Marshall and Grand Rapids at the State Convention held at Lansing this past weekend.

It is hoped by the lodge that they can have a large class of new members to be enrolled into the Moose, by a crack Ritual team, at that time.

The next State Convention will be held in Jackson, next April. It was also announced that the 1967 National Convention would be held in Detroit. Approximately twenty lodge and auxiliary members from Grayling were at the convention.

The degree team entered State competition on Sunday, and didn't do too bad, in fact, considering

some of the circumstances, they did real well.

The lodge held its annual Beaver dinner at the lodge this past weekend also.

Our next regular meeting will be Friday, May 6th at 8:00 p. m. On Sunday, May 8th the Legion of the Moose club will hold its monthly breakfast meeting.

**SCHOOL BAND NEWS**

Students from the Junior Band did very well at the Junior High Solo and Ensemble contest that was held in Mancelona on April 16th. Betty Konvicka, James Beckwith and Gary Ashman received II Division ratings for the performances. This was the first time that the District II Bands held such a contest for the Junior High bands.

In previous years there were not enough students to participate in this contest.

The Junior Band under the direction of Mr. LeRoy Christian presented their concert at the P. T. A. meeting on April 23. They practiced long and hard for this concert and because of this they did very well.

The Senior Band will play at the Spring Festival presented by the students at the Gymnasium on April 29th. This is an annual event and the band is proud to be able to participate.

On April 30 the band will go to Kalkaska to take part in the Trout Festival to be held there. We will play with the Kalkaska band for the trout dedication. Later in the afternoon we will march in the parade. The bands will be judged for their appearance and their marching. In preparation for this we have been marching outside whenever

## Mrs. Floyd Vincent Passes At Owosso

Mrs. Floyd Vincent (Augusta) of Owosso passed away on April 22, 1966 after a three-month illness. Funeral services were held at the Jennings-Lyons Chapel at 3:30 Monday, the 25th in Owosso with burial in Oak Hill Cemetery there. Mrs. Vincent was born April 13, 1895 in East Canton, Ohio. She was married November 1, 1913 to the late Floyd Vincent, who passed away January 18, 1966.

Surviving are four sons, Forrest of Bradenton, Fla., Merlin of Sarasota, Hubert of Largo, Fla., and Ferris of Owosso, five daughters, Opal St. John and Noreen Kovach of Lansing, Maxine Tyler of Grand Rapids, Arlene Brooks of Hollywood, Calif., and Barbara Ritter of Owosso, also a brother and sister, 17 grandchildren and 13 great grandchildren.

Mr. and Mrs. Bob McClain attended the services Monday for her grandmother, Bob serving as a pallbearer.

## TWILIGHT TWIRLERS PRESENT RECITAL.

On Friday, April 22, the Twilight Twirlers presented a recital at the Elementary School multipurpose room, under direction of director Mrs. Richard Lippard.

Participating were the junior-senior drill units of the twirling class Nancy Brown did a solo, duets were done by Jane Buron and Debbie Bartholomew, Elizabeth Halstead and Kathy Kelly, and a foursome presented by Susan Meoak, Arvela Galvani, Carol and Karen Reed. Others taking part were Raylene Slusser, Penny Taylor, Debbie Wyers and Pam Zimmerman, with twirling by Larcie Hatfield and Jerry Lowrie. Numbers were arranged by the students themselves.

The Twirlers have begun practice for the summer parades, the first of which will be next Saturday at the Kalkaska Trout Festival, with Jane Buron the leader. This year the Twirlers will be wearing different costumes for different occasions. The girls have made navy-blue bell-bottom pants and matching tops, which they used in the recital.

Anyone interested in joining a unit should be at the Elementary School on Wednesday. Beginning classes are at 5:30 p. m., junior drill at 6, senior drill at 7 and advance twirling at 8 p. m. The senior unit is for 7th grade and up.

### IN MEMORIAM

In memory of our dear mother, Lillian Dutton, who passed away one year ago today, April 18th, 1965. It was only one year but it seems so long ago.

She is sadly missed by us all, her family.

### V. F. W. NEWS

A regular meeting was held on April 24, with a very nice attendance. The Mich. Dept. Commander and our 11th District Commander were here. Our group was complimented for their effort in trying to get a new post under motion. We have our charter application well on its way. At our next meeting it is planned to have a pot luck supper along with the meeting. Each member is asked to bring at least one new member if he possibly could, or course it also is understood that if they can get more, the better it will be for the post.

Our Mich. Dept. Com. Clarence Schumaker is also planning on being here unless he is away on other business, then his legal representative will be here. At our last meeting it was brought up that the 11th Dist. Convention will be on May 1, 1966 in Standish. It was also brought up that I should be there to represent this post even though it has not got a charter. I will attend unless I'm sick and cannot go, but I'm looking forward to going. I've talked to some of the fellows and I may have two or three to go also, which will be good experience for them. They will gain information valuable in running a post.

Korean and Viet Nam Veterans are eligible. We would like to see some of them come into the organization. We need only ten more members to be eligible for the charter, so fellows how about a good showing at our next meeting. I personally cannot sign for the charter application as I am already a member in good standing, but I'm going to transfer as soon as the post is on its own. I personally think too that it will not be too long before the post will have its charter. Any Veteran who thinks that he may be able to join, we would like to see at our next meeting. If any Vet. does come down, he is asked to bring his discharge papers with him to ascertain whether or not he is really eligible.

Our next meeting and pot luck supper will be held on the 14th of May at 6:30 p. m., as usual in the basement of the Moose Lodge. We are extending our warm welcome to all Veterans of Foreign service. I also wish to thank the women who helped serve our lunch at our last meeting.

Temp. Chm. Wm. Higbee

Plan now to plant a tree or two this spring. You and your family, you and your community, you and your state will be the long time beneficiaries of the beauty of the tree that you plant this spring. Tree-shaded lawns and patios are delightful places to enjoy pleasant hours with the family and friends. A beautiful plantation of red pine growing on what was formerly idle land is a very pleasing sight. Have you ever thought, "who planted the trees that provide the shaded areas that I enjoy?" "Will there be similar places for my children and grandchildren to enjoy?"

The answers to both of these questions depend on you. There can be life-long beauty in your community if you plant trees today. Tree-shaded streets are beautiful to see and they make a city, town, or shopping place a delightful place. Who planted the trees in these areas? The city? The developer? — Maybe!

Regardless of who planted them, however, it did take someone with vision to initiate an active program. Perhaps you should start a neighborhood program to plant trees along your street or encourage a community or businessmen's program to plant trees along the city streets. Yes, you can even generate the action needed to have trees planted in the asphalt deserts that surround some shopping centers.

If you plant, be sure to plant the right tree in the right place. The choice of the tree is very important.

Plant trees to accomplish an objective. If reforestation is the objective use native species such as red pine. If this objective is shade, plant trees that will grow into large massive giants of shade.

But don't plant them where they will soon grow into electric or telephone wires. If trees must be planted close to overhead wires,

select a small type tree. The local nursery or County Cooperative Extension office can provide information on the best trees for various landscape sites. Plant a tree, or two, or three during Arbor week!

### Hospital Auxiliary News

Mercy Hospital Auxiliary met Thursday, April 14 at the Nurses' quarters. The ladies did the amount of work that had been supplied for them. At the business meeting the state convention at Mackinac Island and the North Central District meeting, both to be held in June were discussed, with final plans to be made at the May meeting.

A summer bake sale was planned for June 24. Also it was voted to have listings of Auxiliary meetings in the Community Calendar which is being sponsored by the Grayling Band Boosters club.

Mrs. Phil Wood and Mrs. Carl E. Johnson served lunch on a table centered with an Easter egg arrangement.

## Twin Bridges

By Mrs. Esther Herrick

Mr. and Mrs. Howard (Moon) McCann and 3 sons, David, Kenny and Shawn of Kalamazoo came up for the weekend to spend it with his mother Mrs. Howard McCann Sr. and to help her celebrate her birthday. A nice time was had as usual.

The Dick Werners were up to their home here for a few days. Mr. and Mrs. Leonard Nausbaum of Flint are up to their home here now.

Mr. and Mrs. Irving Rooker arrived home from their trip for the winter in Florida and on the way home stopped in Richmond, Va. for a week's visit with their son and family, then stopped in Saginaw and so at last home on the N. Branch of the AuSable at Twin Bridges.

Mr. and Mrs. James Corbitt of Lewiston called Sunday on Mrs. Howard McCann to wish her a happy birthday.

## O. E. S. NEWS

Six persons were initiated into Grayling Chapter No. 83, O.E.S. at a special meeting held Wednesday, April 20, at the Masonic Temple. Received into the Order were Lois and Alvin Critcher, Marilyn and Charles Fick, Joann and Dewain Hall, all of Grayling.

It was also Mio Night with officers and members of Mio Chapter No. 528, the newest chapter in the Wolverine Association O.E.S., as honored guests. Worthy Matron Dorothy Williamson invited the Mio Worthy Matron, Mrs. Pauline Boerner and the Worthy Patron William Boerner, to sit in the East with her and the Worthy Patron Olin Williamson.

During the initiation ceremony Mrs. June Feldhauser sang a beautiful solo, "Peace and Harmony" composed by the Grand Secretary Genieve Nauman and dedicated to the Junior Past Grand Matron Shirley Jones, Grand Chapter of Michigan, Order of Eastern Star. Mrs. Feldhauser also served

as organist pro-tem for the evening. Each of the new members of Grayling Chapter was presented with a Ritual book by the Worthy Matron and Worthy Patron and a white O.E.S. Bible by the Chapter. Special gifts were also presented to the officers and members of the Mio Chapter which was instituted last October. These included three emblems formerly used by the Grayling Chapter and a check towards the purchase of a new Signet. Accompanying the check was a beautiful handpainted card made possible by the artistry of Mrs. Maime Stradley, Past Matron.

There were 89 persons present at the special meeting including members from the Houghton Lake, Flint, Roscommon, Pontiac, Lake City and Lewiston Chapters O.E.S. as well as from Mio and Grayling. Luncheon was served in the dining room at the close of the evening. At each place was a miniature felt replica of an O.E.S. Bible made by the Worthy Matron as mementos of the happy occasion.

## Attend The Church Of Your Choice

# MOTHER'S DAY

and MOTHER'S DAY

Our artist is not experimenting with his brush! There is a profound difference between these two days...

MOTHER'S Day — with the accent on Mother — is the second Sunday in May, when we honor Motherhood, and express our deep affection for Mother. Mother's DAY — with the accent on Day — is every day of the year. It is Mother's unending labor of love. It is Monday's wash and Tuesday's ironing, the meals to be cooked and the beds to be made, the bruises to be healed and the prayers to be heard.

And at the close of her DAY, Mother has prayers of her own—for her little ones, her husband and herself.

God is answering many of those prayers through the Church. With its effective program of religious education and worship the Church can supply the spiritual needs in Mother's DAY... and in your DAY also!

## Stephan Files For COOR Board

Norval Stephan of Star Route, Grayling, has filed a petition with Basil Godbold, superintendent of the COOR Intermediate School District, indicating his willingness to serve as a member of the COOR board of trustees. This board is to be made up of seven members.

The COOR district is comprised of four counties, namely, Crawford, Oscoda, Ogemaw and Roscommon.

mon, from which it gets its name. By law each county must have at least one representative on the board.

The COOR board ought not to be confused with the Community College board. They are two separate entities. Other than the fact that COOR serves the same four counties that the Community College will serve, there is no connection.

The COOR district was formed to provide services to all of the schools in the four county area which the schools are too small to provide for themselves.

One service presently in operation is instruction to children with speech defects. Mrs. Ann Fish of Elk Rapids visits the Frederic Schools, Grayling High School and Elementary School and Grayling St. Mary's to teach the children who need this special training. Other special programs are planned.

Since the formation of the COOR school district it has been governed by a temporary board. A permanent board of trustees is to be selected at the regular school election to be held June 13th.

## 4-H NEWS

### 4-H Pledge

I pledge my head to clear thinking,  
 My heart to greater loyalty,  
 My hands to larger service,  
 My health to better living,

My club  
 My community, and  
 My country.

With this pledge in mind the Northern Stitches 4-H Sewing Club has been busy since last October when the group began work. Second year club members are Judy Welsh, Pam Zimmerman, Pennie Taylor, Elizabeth Halstead and Jacquelyn McEvers, while Lynette Niederer and Karen Welsh were first year girls. Mrs. Jerry McEvers was 4-H leader, assisted by Mrs. Marvel Zimmerman.

Meetings have been each Monday afternoon. During this meeting time all enjoyed a lunch provided by the various mothers of the girls, conducted business and did sewing on dresses and aprons.

4-H is not just learning to sew a fine seam but cooperation and progress in all lines of living with others. A start has been made by each girl and since the motto of 4-H is "Make the best better" we expect to work at these a lifetime.

4-H has been fun too, including such things as a Halloween party, a Christmas supper, and a pajama party. To close out the year the group had a Mothers' Tea, April 16. Each girl gave a demonstration of a sewing technique learned this past year, a dress review was held and a discussion of the year's work. A pleasant afternoon ended with the serving of punch and fancy cookies.

This has been a successful 4-H year because of the cooperation of the parents and girls.

## Canada-U.S. Goodwill Week, 1966 Golden Anniversary of Kiwanis' Service To Both Great Lands

This year Kiwanis International, originator of Canada-U.S. Goodwill Week, celebrates its fiftieth anniversary of service to both great lands. Canada-U.S. Goodwill Week in 1966 is scheduled for the period of April 24 to April 30.

Founded in Detroit in 1915, Kiwanis established its first

Canadian club in Hamilton, Ontario a year later. Thus, Kiwanis has grown up simultaneously in the United States and Canada . . . working constantly to dramatize, and to cement even further, the good neighborliness which is the hallmark of Canadian-U.S. relations.

This message from your Kiwanis club—through the courtesy of your newspaper.

Kiwanis International, which is spearheading the 43rd annual observance of Canada-U.S. Goodwill Week, April 24 - 30, this year, is also marking the 50th anniversary of its service in both the United States and Canada.

Kiwanis was founded in Detroit, Michigan in 1915. The first club in Canada was founded in Hamilton, Ontario in 1916. "Thus Kiwanis has grown up simultaneously in both these nations," said Bruce Carlson, President of the Kiwanis Club of Grayling.

He went on to say that April 28, which falls within Canada-U.S. Goodwill Week, is the 149th anniversary of the signing of the Rush-Bagot Agreement which demilitarized the 3000 mile border between

Canada and the United States; hence the dates selected for the "week".

To dramatize the peaceful nature of this coast-to-coast boundary line, Kiwanians in both countries have worked together to set up some thirty-five "peace markers," one at each principal port of entry.

"Kiwanis has worked constantly in this, and in other ways, to cement even further the good neighborliness which is the hallmark of Canadian-U.S. relations," President Carlson added. Canada-U.S. Goodwill Week, which is now widely observed, was established by Kiwanis.

President Lyndon B. Johnson, commenting on Canada-U.S. relations, has said, "On that border we have no soldiers. We have no weapons. We have only long and enduring friends."

On Thursday night, April 28, several members of the local club will travel to Sault Ste. Marie, Ontario, Canada, for an interclub meeting with the Kiwanis Club of that city. Representing Grayling will be as many as ten members.

### CARD OF THANKS

I wish to thank Dr. Oppy and the Mercy Hospital staff for their care while a patient. Also thanks for my newly made friends there, their cards, notes and visits.

## Clean - Up

(Continued from Page One)

ling by the time this spring's campaign is ended. Again, we know everyone is not going to be able to build a new home but we can all clean up around the one we now own or rent. Maintenance to a home such as a roof, new steps, etc. does not add to the tax valuation. Only an addition to the house or a new garage etc. raises your tax assessment. May we thank you again for your wonderful efforts to date and trust you will

keep right on until finished. There will be a meeting of all "area workers" on May 6th at the City Hall at 2 p. m. to compare our notes and see what more can be done. This is to be a progress report on our first contacts. Please be present.

Lora Gould, general chairman
